SUMMARY

BS Information Technology specializing in Software Engineering and a Consistent President's Lister at PUP Taguig with internship experience as a Software Engineer at Synpulse Philippines. Skilled in modern full-stack development, including Next.js, React, TypeScript, PostgreSQL, Prisma, and Laravel, with experience in Agile collaboration and database optimization.

EXPERIENCE AND TECHNICAL PROJECT

Synpulse Philippines Inc.

February 2026 – May 2026

Software Engineering Intern

- Developed and designed features for a company asset tracking tool, using React, TypeScript, Next.js, Spring Boot, Prisma, and PostgreSQL.
- Implemented an audit trail system to track and log all user and system activities.
- Improved UI/UX through enhanced layouts, navigation, and responsiveness.
- Participated in Agile ceremonies including sprint planning, daily stand-ups, sprint reviews, and retrospectives.
- Presented project updates and final showcase to stakeholders, including Operations and IT team.

Membership Information Management System for Radio Engineering Circle Inc.

May 2025 - February 2026

Lead Full-Stack Developer

- Led a 4-member team in building a centralized system that automated 60% of manual club operations.
- Designed a full-stack solution with Laravel MVC (PHP, JavaScript, MySQL, Tailwind CSS), implementing authentication, semi-automated membership processes, and dashboards.

Canopy Farm PH Rental Management System

September 2025 – January 2026

Backend Developer

- Using Livewire, PHP, Laravel, and MySQL, debugged and resolved critical system bugs to improve application stability and user experience.
- Aligned system processes with current business workflow logic. Developed rebooking features, room blocking functionality, day tour reservations, and integrated PayMongo webhook for payment processing.

Polytechnic University of the Philippines Taguig - Computer Society

A.Y. 2023–2024

Vice President for Finance

- Managed financial operations, budgeting, ensured transparency and disbursements for events and initiatives.
-
